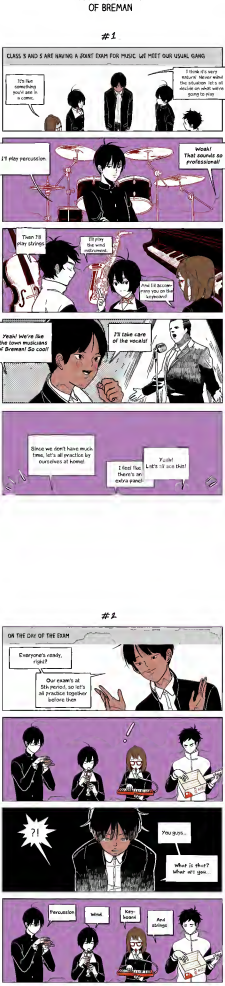
TOWN MUSICIANS OF BREMAN

#1



CLASS 5 AND 5 ARE HAVING A JOINT EXAM FOR MUSIC. WE MEET OUR USUAL GANG.
It's fun sometimes since we're in a combo.
I think it's more natural. Never mind the situation. Isn't all excuse an what we're going to play.
I'll play percussion.
Woosh! That sounded so professional!
Then I'll play strings.
I'll play the wind instrument.
Now I'd become like you on the instrument.
Yeah! We're like the town musicians of Bremen! So cool!
I'll take care of the vocals!
Since we don't have much time, let's all practice by ourselves at home!
I feel like there's an extra piece!
Yuck! Let's ill see this!
